The **B·E·S·T** Business Intensive - Top Team Play

‘Motivating and empowering your people to get the BEST out of each other’

We’re all fabulous people. It’s just that sometimes we forget that. We let life stop us from giving our best - or we get in each other’s way - or we forget to even see the best in others because of our own pressures. This 2-hour workshop is designed to help everyone in your team to understand each other’s BEST Behavioural Styles, so that you can develop the BEST possible team play and make your workplace happier, easier and more productive.

Our Progress workshop includes:

- The qualities, attitudes and skills of successful teams
- The BEST Team Communication System – principles and philosophies
- How to ensure trust and rapport with anyone (V & N)
- Increasing interpersonal effectiveness through the Behavioural Styles model
- Understanding values and boundaries in team behaviour
- Tactics for team achievement

You’ll be given a workbook - so just bring yourself, a pen, and an open mind - and be prepared to have a good time.
